

Professional TRAINING CAMPS

IN THE BORDER-REGION OF
GERMANY AND THE NETHERLANDS

Château Holzmühle

Château Holtmühle

- Location -

The renowned Bilderberg Chateau Holtmühle is located in the heart of Europe. Not far from the German-Dutch border between Eindhoven and Dusseldorf, the hotel is located in the Dutch village Tegelen near Venlo. In this region, where the German-Dutch football heart beats very loud, are numerous airports of which the Chateau Holtmühle can be reached in a short time. It is less than an hour to get from the airports Dusseldorf, Cologne, Weeze, Maastricht and Eindhoven to this particular location.

Due to the excellent motorway network around the Chateau Holtmühle the cities of Eindhoven, Venlo, Maastricht, Sittard and also the German football metropolises Dusseldorf, Monchengladbach, Leverkusen, Cologne, Duisburg, Gelsenkirchen, Dortmund, Bochum and Aachen can be reached in less than an hour. Despite this exposed area, the chateau is located on the quiet outskirts of a small town where the hustle and bustle of the city does not take place.

- Chateau Holtmühle -

Chateau Holtmühle, located at the German-Dutch border, is a newly built castle from the 14th century. In 2009, the castle including its 66 well-appointed rooms has been completely renovated. Due to the variety of rooms the guest can choose between deluxe rooms, castle rooms, superior rooms and castle suites. Most of the rooms offer the guests a unique view to the unspoiled nature of the hotel or to the magnificent park. The rooms are equipped with further conveniences so that the guest feels comfortable in the hotel.

The guests have the possibility to use the swimming pool, the indoor sauna and the Turkish steam bath. In the gym various muscle groups can be trained. On the menu card of the excellent restaurant are seasonal dishes made always with fresh products.

„We take care of all your needs so you can concentrate on the essentials.“

- Rooms -

Chateau Holtmühle has 66 modern furnished and decorated rooms. Most of the fully equipped rooms can be used as an individual or twin bed room. The Deluxe Comfort Rooms are including:

*teasmade
hair dryer
toilet
flat screen TV
telephone
free Wifi
safe
writing-desk
seats*

Besides some special suites are available for the quests. A suite contains in addition to the normal equipment following extras::

*Jacuzzi Whirlpool
Nespresso Machine
luxury separate sitting area
possibility to make coffee and tea
bath robes and bathing shoes
air conditioning*

All suites also offer a wonderful view to the spacious grounds of the castle. In these suites club officials, coaches or managers can reside during the training camp. The ancient atmosphere combined with the modern technology leaves no desires and encourages creativity for every guest.

- Food -

Whether in the modern designed restaurant, in a separately defined area or on one of the big terraces – in Chateau Holzmühle you choose the location for your meals.

The training camp package includes a completely full board service. In the morning a delicious breakfast buffet is served that leaves nothing to be desired. For lunch and dinner, your individual tailored menu can be cooked in the modern kitchen. In this matter, the kitchen team contacts you before the training camp starts.

„ Quality and variety of meals in exclusive surroundings serve as a basis for sporting excellence.“

- Conference- and lounge-rooms -

Chateau Holzmühle offers exceptionally good opportunities for team meetings, conferences or training sessions. The hotel itself disposes of 9 multifunctional and well equipped meeting rooms. Some of these rooms offer a great view to the nature.

All meeting rooms are equipped with a projector, a sound system, magnetic walls, boards, flip charts and meeting materials. Electronic game consoles can be connected and used in the rooms, as well as in the conference- and lounge-rooms.

In addition, the team has a well-equipped and easy-to-reach material room and a comfortably equipped massage room including three massage tables. These services are also integrated in the training camp package and free of charge for the team.

- Hotel Extras -

Chateau Holzmühle has a well-equipped swimming pool, a gym, luxurious Sauna's and a Turkish steam-bath. These facilities are for free for the team.

The idyllic nature protection area around the Chateau Holzmühle offers the team a lot of jogging and biking routes. Bikes for free usage is included in the training camp package.

- Activities in the neighborhood -

Team-Building – this topic get a high priority in the preparation for a match or a whole season in modern professional football. In the close neighborhood of the Chateau Holtmühle you find a wide range of teambuilding opportunities. The leisure facility “Blue Lagoon“ adjoins directly to the spacious ground of the location. Focal point of this wide facility are water sports. Kayak-tours or waterski-action, you’ll find something for everyone. The sandy beach and the clear water of the nature lake offer the perfect situation to swim and relax. For sports activities you also find beach-volleyball- and soccer-fields, as well as a professional climbing forest. If you like it a bit faster, so you can make a trip to the Indoor-Kart-Arena in Swalmen, Netherlands, just a few kilometers away from the Chateau Holtmühle. A team-event on the race course offers variety during a training camp.

„Activities beside the training fields stimulate the team spirit and offer the necessary variety during a training camp.“

- Highlights of the region -

Only 20 minutes away from Chateau Holzmühle you find the 18-hole golf-course 'de Golfhorst'. In the landscape you find your drives and greens in between small rivers and lagoons, which offer a challenge to golfers of all levels.

Just 30 minutes away from the Chateau Holzmühle, the capital city of North-Rhine-Westphalia – Duesseldorf is located. Germanys most luxurious shopping street, the Koenigsallee, or the famous River Rhine Promenade pull each year millions of tourists from all over the world to Duesseldorf. A trip to the metropolis next to the River Rhine offers an interesting variation to the everyday training. International flair, the hippest shops and “the longest bar of the world” the old City of Duesseldorf, make the state capital city to a unique experience.

- Training facilities -

Professional training pitches are the central element of each training camp. Therefore Chateau Holtmühle offers excellent possibilities. Directly next to the hotel you can use the training facilities of the Dutch club SC Irene. The professional training ground of SC Irene offers numerous natural grass pitches and one artificial turf pitch, which can be used for free. You can reach the pitches in 3-4 minutes on foot. Alternatively, the freely available bikes can be used. The main natural grass pitches and the artificial turf pitch dispose of a floodlighting system.

In total privacy and away from paparazzi's and reporters, you can prepare your team in Tegelen for the upcoming tasks. The quality of Dutch football fields is famous all over the world and can be found at the pitches of SC Irene as well.

- Training facilities -

Since many years, a lot of European top teams find their way to the German and Dutch border region to prepare for important matches or for the whole season. The hospitable behavior and the excellent training facilities in the border-region of Germany and the Netherlands are the reason for this choice.

Beside the fields located next to the hotel, there are more than four additional training locations from German and Dutch amateur-clubs who you can reach easily in less than 10km. These facilities offer natural and artificial training grounds which fits to the highest requirements.

Only 5 minutes away from Chateau Holtmühle you find a well-equipped fitness center, which offers a broad range of training equipment. On this modern gym equipment it is possible to increase the stability of the players and to focus on injured players.

- Friendly match opportunities -

Chateau Holtmühle is located in a real football-region. On the German side of the boarder, you find in a radius of 100 kilometers clubs like Borussia Moenchengladbach, Fortuna Duesseldorf, Borussia Dortmund, FC Schalke 04, Bayer Leverkusen, 1. FC Cologne, VfL Bochum, MSV Duisburg, Alemannia Aachen and many amateur clubs on a good level. In addition to that, there are a variety of sports grounds with high quality for friendly matches during the training camp in the region.

The Dutch clubs like VVV-Venlo, PSV Eindhoven, Twente Enschede, Vitesse Arnheim, NEC Nijmegen, Roda Kerkrade and Willem II Tilburg can also be reached in less than one hour. Beside these teams, there are many second- and third-league-clubs from the Netherlands in the region. Even clubs from Belgium from the Jupiler Pro League, like Standard Luettich, KRC Genk or amateur-clubs from this country can be your opponent during the training camp.

You can also play your friendly matches in the stadium of the Dutch professional club VVV-Venlo with capacity for 8.000 people.
